Eyes Clean Solution

Ingredients:

- Aqua (Water)
- Hydroxyethyl Cellulose
- Boric Acid

Instructions for Use:

- 1 Wash your hands thoroughly.
2. Gently secure your pet's head.
3. Open the eye drop bottle and bring the dropper close to the eye without touching it.
4. Apply 1-2 drops to each eye.
5. Close the eyelids gently to spread the drop evenly across the eye.
6. Use as needed, but do not exceed the daily dosage.
7. Clean the dropper tip and close the cap after use.

Warnings:

- For external use only.
- Use only as directed.
- If severe redness, irritation, or pain persists, discontinue use and consult your veterinarian.
- Keep out of reach of children and pets.
- Wash your hands before each use.
- Do not use on another person's eyes.

Storage Conditions:

- Store in a cool, dry place below 25°C.
- Protect from direct sunlight.
- Close the cap tightly after use.
- Do not use after the expiration date.

Choose our eye drops containing 3% boric acid to maintain your pets' eye health and provide them with a comfortable life. Show your concern for their health with every drop!

For the Eye Health of Your Pets: Eye Drops with 3% Boric Acid

Dear Pet Owners, Protecting and soothing your pets' eyes is now easier! Our eye drops, containing 3% boric acid, are specially formulated for your cats and dogs.

Effects and High Performance of Boric Acid Eye Drops:

- Cleans and Refreshes Eyes: Removes dust, dirt, and foreign particles, providing a refreshing sensation.
- Reduces Irritation: Helps to alleviate redness and irritation, soothing your pet's eyes.
- Safe and Effective: A safe and effective solution for cats and dogs with sensitive eyes.
- Prevents and Treats Infections: Prevents and treats eye infections with its antibacterial properties.

Ear Clean Solution

Ingredients:

- Aqua (Water)
- Capryl/Capryl Glucoside
- Menthol Crystal
- Sodium benzoate
- Citric Acid
- Cocamidopropyl Betaine
- Lactobacillus Filtrate, Beta-Glucan
- Hydroxy Ethyl Cellulose (Hydroxyethyl Cellulose)
- Potassium Sorbate

Instructions for Use:

1. Shake the bottle well before use.
2. Gently apply the solution to the outer part of the ear using a cotton or clean cloth.
3. Do not drip into the ear canal.
4. Avoid contact with eyes, in case of contact wash with plenty of water.

Warnings:

- For external use only.
- Keep out of reach of children and pets.
- Protect from direct sunlight and excessive heat.
- In case of an allergic reaction, stop use immediately and consult a veterinarian.

Storage Conditions:

- Store in a cool and dry place.
- Close the lid tightly after use.

Positive Effects and High Performance of Ear Cleaning Solution

Specially formulated Ear Cleaning Solution for your pets' health and comfort gently cleans and maintains even the most sensitive ears. With advanced ingredients, it's an excellent choice to maximize your pets' ear hygiene.

1. Deep Cleansing:

Gentle cleansers like Cocamidopropyl Betaine and Capryl/Capryl Glucoside effectively clean ear wax and buildup without irritating the skin.

2. Natural Protection and Moisturizing:

Lactobacillus Filtrate and Beta-Glucan nourish the skin and support natural barrier functions, providing protection against ear infections.

Hydroxyethyl Cellulose moisturizes and soothes the skin.

3. Refreshing and Soothing Effect:

Menthol Crystals provide a cooling sensation in the ears, reducing itchiness and discomfort.

4. Safe and Natural Preservatives:

Sodium Benzoate and Potassium Sorbate act as natural preservatives, keeping the product fresh and effective for longer periods and offering an alternative to chemical preservatives.

Citric Acid balances the pH of the product and prevents microbial growth.

5. Easy Application and High Performance:

Ideal for both pet owners and professional caregivers with its practical application. Shake the bottle and apply easily for quick results.

Regular use maintains your pet's ear health and helps prevent potential ear infections.

6. Gentle and Reliable Formula:

Suitable for all skin types due to its gentle formula, minimizing the risk of allergic reactions.

Developed with your pets' comfort in mind and veterinarian-approved.

Ear Cleaning Solution is one of the best solutions for your pets' health and happiness, becoming essential in their ear care with its high performance and positive effects!

Cat Foam Shampoo

PostBioticPetFoamingShampoo(NoRinse Required)

Ingredients: • Aqua (Water) • Glycerin • Sunfloweroil Methylglucamide • Decyl Glucoside • Lactobacillus Filtrate, Beta-Glucan • Phenoxyethanol (and) Piroctone Olamine • Parfum (Fragrance)
